## LIVING

Tucked away within the island's green interior but close to a white powdery sand beach, each villa has a traditional Maldivian design, with the choice of a beach setting or are perched directly over the tranquil lagoon. The Ocean Front Beach Villas are steps away from the lagoon while the Deluxe Ocean Front Beach Villas have their own outdoor spa bathtub for lazy hours in complete privacy. The Deluxe Water Villas have steps down into the crystal clear waters, and the visions of spectacularly vivid sunsets can be soaked up in our Deluxe Sunset Water Villas. The Deluxe Spa Over Water Villas are set above the lagoon, and also come with an outdoor spa bathtub, or you can enjoy the balcony and overwater hammock arrangement in our Premium Deluxe Spa Water Villas.

## CHILLING

The oceanfront swimming pool provides stunning views of the Indian Ocean, and has its own pool bar, so you can spend the entire day here on your sun lounger. Nearby is SPA Cenvaree, a sanctuary for the senses with nine suites designed for individuals and couples. The traditional massages and dreamy spa treatments will leave you glowing.

There's a wide range of water sports activities available, including windsurfing, paddle boarding, catamaran sailing, kayaks, snorkelling and pedal boats, plus scuba diving trips to any location in Maldives can be arranged at our PADI Dive Centre. E-Zone with games for teenagers is also available. And if your idea of bliss is to settle down with a good book or a newspaper, we have a choice of breezy, shaded areas where you can also connect to our complimentary wireless internet access.

For early arrival or late departure guests, the Chill Lounge is available for you to take some rest and refreshing in air-conditioned comfort with coffee and tea making facilities including bathroom.

## DINING

There really is something that will appeal to every taste at the resort's seven restaurants and bars. The cuisine at **Suan Bua** is authentically Thai, with recipes and ingredients brought from the four regions of Thailand. The romantic **La Brezza** serves Italian dishes under subdued lighting. At **Al Khaimah**, you'll be whisked away to an Arabian fantasy land – designed as a Bedouin tent, the restaurant serves Arabian cuisine. International and buffet-style **Oceans** is our main dining venue open daily for breakfast, lunch and dinner; its thatched roof and sand floor giving it a casual feel. You can enjoy serene sunset scenery along with cocktails at **Viu Bar**, while **Waves Pool Bar** serves hot and cold refreshments poolside and **Giraavaru Lobby Bar** is a convenient spot for thirst quenching drinks.

If you'd prefer to dine in the luxury of your villa, or arrange a dinner party for friends, we provide 24-hour in-villa dining service.
